COVID-19 may have 'Blitzed' UK population

ANOTHER 436 people were yesterday confirmed to have died of COVID-19 in England, Scotland and Wales, taking the number of victims past Italy's 29,079 and making Britain the worst-hit nation in Europe.

Separate backdated figures from the Office for the National Statistics show the figure appears to have already may actually be 42 per cent higher – over 40,000.

This would mean COVID-19 has killed more Britons in eight weeks than died over seven months during the Blitz bombings in WWII.

Only the US has now announced more deaths than Britain – almost 70,000.

Meanwhile, the health secretary Matt Hancock (*above*) conceded there is a "huge amount of work still to do" to reduce the bug's kill rate in care homes.

Virus labs get cyber warning

THE UK and the U.S. have exposed "malicious cyber campaigns" by rival states against universities, pharmaceutical firms and other healthcare organisations involved in the coronavirus response.

Laboratories doing research on COVID-19 vaccines are also among those being targeted.

The joint alert does not name countries behind the attacks, but they are understood to include China, Russia and Iran, as well as others.

So far there has not been a known successful attack on a UK institute.

RAF BLAST ISIS

RAF fighter jets have bombed six caves being used as a base for so-called Islamic State militants in northern Iraq.

Two Typhoon jets, flying out of RAF Akrotiri in Cyprus, used Paveway IV guided bombs to hit the cave entrances during the night-time strike on April 28.

Military intelligence had confirmed that a group of ISIS militants were based in the caves, north east of the city of Bayji, the Ministry of Defence said.

The MoD statement said: "Surveillance confirmed all the weapons struck their targets successfully, removing more Daesh fighters from the battlefield and further downgrading the terrorist movement.

The Typhoons were supported by a Voyager refuelling tanker and were joined by other coalition aircraft in the attack.

Thorough

The strike took place following a "thorough check" of the surrounding area for any non-combatants, the MoD added.

BOMBING MISSION: An RAF Typhoon

Defence Secretary Ben Wallace said: "The strikes continue because the Daesh threat is relentless – and so will we be."

The RAF is flying daily armed reconnaissance missions over Iraq and eastern Syria as part of the fight against ISIS.

McDonald's announces partial reopening plans

By COLIN HURST
news@sundaysport.co.uk

POPULAR fast food chain McDonald's has unveiled the location of the 15 restaurants it plans to reopen for deliveries next week.

The firm closed all its sites in March at the start of the coronavirus lockdown in the UK.

But northerners are NOT lovin' it as all the opening locations are clustered in and around London and the South East,

The eateries will offer a limited menu – including some vegetarian options – delivered within their local areas.

Two of the sites are in Chelmsford – Riverside and Westway – while three are in Luton at Leagrave, Chaul End Lane and George Street.

The stores will be open from Wednesday next week to make deliveries between 11am and 10pm, with staff asked to be extra careful about social distancing measures.

Last Friday, the burger giant revealed it would reopen 15 unnamed restaurants after spending a week testing its operations behind closed doors.

Before they open, the restaurants will undergo deep-cleaning with floor markings and Perspex screens installed.

The company will work with Just Eat and Uber Eats to deliver food to customers' doors.

McDonald's UK boss Paul Pomroy said: "When we do return it will be different, as we all adjust to this new normal. I want to apologise in advance if our first wave of reopened restaurants does not serve your area.

"Rest assured, we are working hard to reopen more restaurants, but I'm adamant this must be at the right pace with the wellbeing of our employees, suppliers and customers front of mind."

Experts predict biggest slump ever

THE UK's economy is on track for its deepest downturn "in living memory", according to a closely watched survey, as British businesses suffer from the lockdown.

The survey, from IHS Markit/CIPS, found the UK's dominant services sector contracted at a record pace last month.

Shutdowns

Around 79% of services, like cafes and hairdressers, reported a fall in business activity amid mass shutdowns in response to coronavirus.

IHS Markit said UK GDP could fall at a quarterly rate of 7%, but it also warned that the decline could be even greater.

Tim Moore, economics director at IHS Markit, said the data "highlights that the downturn in the UK economy during the second quarter of 2020 will be far deeper and more widespread than anything seen in living memory".

He added: "The April survey reading is consistent with the economy falling at a quarterly rate of around 7%, but we expect the actual decline in GDP could be even greater, in part because the PMI excludes the vast majority of the self-employed and the retail sector."

The Purchasing Managers' Index services index showed a record-low reading of just 13.4 in April, down from 34.5 in March.

A figure below 50 indicates contraction.

Markit said it was "by far the lowest recorded since the series began in 1998".

Purchasing managers – senior employees in businesses who keep a check what is happening to a company's orders and its supplies – see before anyone else if activity is slowing.

Prior to the last two months, the survey's record low stood at 40.1 back in November 2008, the period of the credit crisis.

VIRGIN TO SHED OVER 3,000 JOBS

VIRGIN Atlantic yesterday announced it is to cut more than 3,000 jobs in the UK and end its operation at Gatwick airport.

The news comes after rival British Airways said it could not rule out closing its Gatwick operation.

Pilots' union Balpa said the move was "devastating".

Many airlines have been hit as the pandemic has brought global travel to a virtual standstill.

Virgin Atlantic, which is in the process of applying for emergency loans from the government, employs a total of about 10,000 people and says the jobs will be lost across the board.

Balpa's general secretary, Brian Strutton, said: "This is another terrible blow for the industry and evidence of the dire situation facing UK aviation.

"Our members and all staff in Virgin Atlantic will be shocked by the scale of this bombshell. We will be challenging Virgin very hard to justify this."

Virgin Atlantic also plans to reduce the size of its fleet of aircraft from 45 to 35 by mid-2022.

It comes after Virgin boss Richard Branson (*left*), 69, – who has a personal fortune of £3.5bn – sparked fury by begging Number 10 for a £500m bailout after the coronavirus pandemic closed thousands of routes.

THE stunning wife of lockdown home fitness guru Joe Wicks has quickly become a hand-shandy pin-up for randy fellas.

Glamour model Rosie, 29, stood in for her crocked hubby while the self-styled Body Coach recovers from a wrist injury.

Joe had minor surgery on his injured hand in late March after falling from his bike – days after launching his daily PE lessons.

But having spent last weekend in hospital in excruciating pain, Rosie joined her husband on Monday for the hugely popular classes aimed at keeping the nation healthy in the lockdown.

Mucky

She proved a big hit too – garnering tens of thousands of new viewers to Joe's YouTube channel.

Her workout – in the skimpiest of leggings and sports vest – excited "below the line" mucky-minded commenters on the downmarket Daily Mail website.

Implying he had tugged one off to Rosie's exercises, highto, in Toulouse, France, said: "I did a wrist workout, to that today x".

Bol, in Middlesbrough, also chipped in: "There'll be a few more guys needing wrist surgery after watching her ..."

And Modernex, in London, wrote: "One look at her tagged photos have topless photos and pictures of her hands down the front of her pants!"

Joker's 'good Tesco act' falls flat

JASON Manford has revealed he was turned down for a job... by Tesco.

The 38-year-old comedian said on social media that he applied for a job as a driver when he had been made "recently unemployed" as he "wanted to feel useful".

He joked that he is "absolutely livid", adding: "I was only trying to do my bit."

According to the screenshot of the rejection letter he shared online, Manford had applied to work at a Tesco Express in Wilmslow, Cheshire.

Royle's Ricky rants: 'comics aren't funny'

RICKY Tomlinson has revealed he doesn't find modern comedians funny and thinks audiences are being "cheated".

The actor (*above*), 80, best known as slob Jim in sitcom *The Royle Family*, said some stand-ups "can't do 15 minutes" on stage.

He told the *Radio Times*: "It's not that I don't like them. I don't think they're funny! I think they should be done under the Trade Descriptions Act, the audiences are getting cheated.

"Ken Dodd could do five hours on stage! Some young comics can't do 15 minutes."

The Liverpudlian is teaming up with Ralf Little for *Ricky and Ralf's Very Northern Road Trip*, in which they drive a campervan from the Scottish border down to Manchester.

The series is the first time Ricky and Ralf have worked together on TV since 2012's *The Royle Family* Christmas special.

SHOWING OFF ALLOTMENT: Beauties get back to nature while tending it

PUTTING the vag into veg – that's the annual celebration of World Naked Gardening Day!

By REX ROWLANDS
rex@sundaysport.co.uk

For the shears hell of it, men and women across the globe peeled off for the event on Saturday – and then started posting their pictures online.

Marrows

Otherwise sane people stripped to the buff to prove there was more to tending to their flora than merely wielding pruning forks.

No, rummaging amid the radishes and tending to their marrows was what it was all about.

World Naked Gardening Day is described by its organisers as "a fun, positive and light-hearted movement".

It says it is "designed to celebrate the human body and nature, and the benefits that combining the two can bring".

So not at all anything to do with wanting to show your neighbour what your cock looks like, then.

Green-fingered Stacey McKeown, 32, from Stoke, said: "It seemed the perfect time to show off my magnificent lady garden."

QUIDS IN! Poundland plug £1 dildo

POUNDLAND has come to the rescue of lovelorn ladies in lockdown – by flogging a dildo for just a QUID.

The shiny sex toys are believed to be flying out of delivery warehouses owned by the cut-price high street chain.

Their £1 Caress bullet vibrator comes in just one colour – gold – and it's proving to be a winner.

On the firm's twitter feed, they advertise the fanny stimulator with a snap of it alongside the message: "Because we know…being inside is hitting the spot #Buzzing #BunkerBanter."

It is tastefully described as a "small, slim and super strong vibrating massager".

Twitter user @fransbeautyblog wrote on Twitter: "Just to let you guys know that you can buy a vibrator & cock ring from Poundland. Top quality."

And @peanutbuttefly commented: "Yesterday I found a dildo for just one pound at Poundland. When they say they sell everything, they don't lie."

A Poundland spokesman, giving out information about in-store sales when lockdown is lifted, said: "The item is merchandised on the top shelf, out of the reach of children, within the health and beauty section."

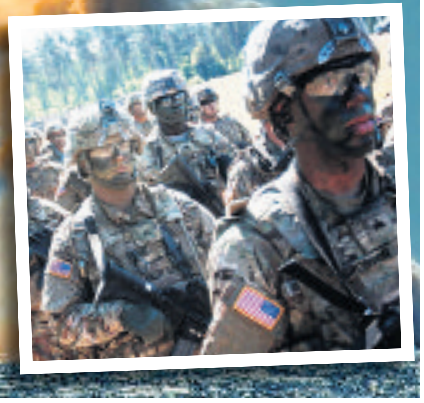
CHINESE PREPARE FOR WAR OVER VIRUS!

PRESIDENT: Xi Jinping

GEARING UP: Chinese troops (*above*) and (*below*) the US Army



CHINA is preparing for WAR as relations with the US turn bitter over the coronavirus pandemic.

By BRAD CHADWICK
Diplomatic Editor

An internal report from the Chinese commie government said anti-China sentiment is at its highest since the Tiananmen Square crackdown in 1989.

And an influential Chinese think tank run by the shady nation's spymasters has recommended that the country prepares its vast armed forces for a shootout with the Yanks.

Both countries possess huge nuclear arsenals.

The damning report was presented to President Xi Jinping and other top Chinese leaders by the Ministry of State Security.

Because of how it responded to the pandemic, Beijing faces a tsunami of anti-China attitudes led by the US and must prepare itself for an armed confrontation between the two global powers as part of a worst-case scenario, the report warned.

The report cautioned that Washington could increase financial and military support for regional allies such as Taiwan, Japan and South Korea.

The report was put together by the China Institutes of Contemporary International Relations, a think tank associated with the Ministry of State Security, Communist China's top intelligence agency.

Tensions have also been strained by attacks against America's Secretary of State Mike Pompeo in Chinese media.

Government-controlled papers branded Pompeo "evil" over his repeated claims the coronavirus accidentally leaked from a government lab.

The Xinhua news agency – a mouthpiece of the Communist Party – called Pompeo "one of the worst secretaries of the state in American history".

China's *Global Times* – another puppet publication – penned an editorial which said Pompeo had "stunned the world with groundless accusations", adding: "The truth is Pompeo does not have any evidence.

"Since Pompeo said his claims are supported by 'enormous evidence', then he should present this so-called evidence to the world, and especially to the American public who he continually tries to fool.

"Pompeo is indulging in a solo performance that has failed to adhere to the professional standards expected of a chief diplomat. His claims are not supported by scientists or reliable intelligence."

China's state broadcaster CCTV also took aim at President Trump's top diplomat in a commentary segment called 'Evil Pompeo is wantonly spewing poison and spreading lies'.

Mr Trump, in an interview with Fox News on Sunday night, said he thinks China made a "horrible mistake" that allowed the coronavirus outbreak to spread globally.

One intelligence source said: "I would not chuck away your stockpiles of loo roll just yet. And I'd invest in a tin hat."

Brainbox Fry frets for survival...of THEATRES

WITH tens of thousands of Brits choking to death on their own sputum and the economy shrinking to pre-industrial levels, clever Stephen Fry says he's worried about THEATRES.

Big-brained Fry (*left*) said he cannot foresee any theatres opening to live audiences until 2021, adding that these are "dark times indeed" for the performing arts.

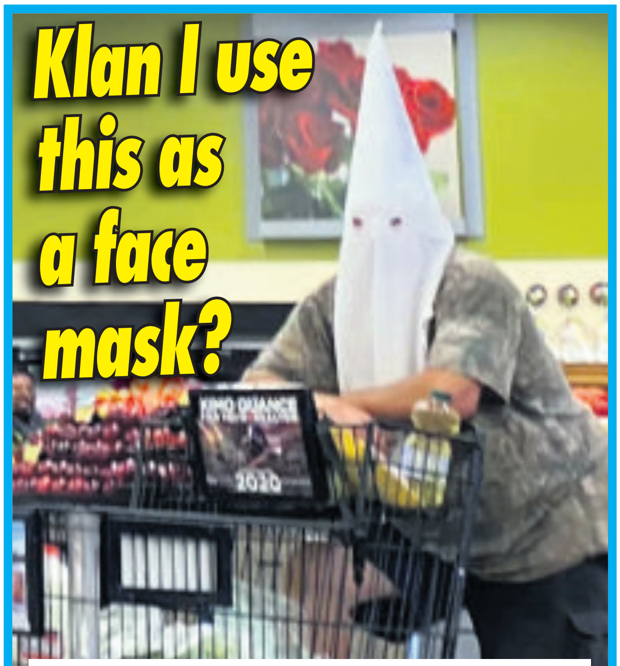
Theatres and concert halls around the country were closed following Government advice against visiting leisure venues in a bid to halt the spread of coronavirus in the UK.

Writing in the *Eastern Daily Press* about the impact of COVID-19 on the arts, Fry, 62, said: "I can't see any theatres opening to live audiences before next year, I'm afraid.

"Perhaps March or April – a full year after the first lockdown.

"We must do what we can to make sure there is a world of live drama and entertainment for us as a nation when the all-clear has sounded."

Klan I use this as a face mask?



A SHOPPER caused uproar when he popped out for groceries while wearing a Ku Klux Klan hood.

Store staff repeatedly asked the man (*above*) to remove the hood or leave the premises.

A supervisor approached him at the checkout queue and asked him again to take off the hood or leave.

The bloke finally removed the hood, bought his items and left.

He was earlier seen roaming the aisles of a Von supermarket in Santee near San Diego in California.

A spokeswoman for the store said: "At Vons, fostering an environment of courtesy, dignity and respect is one of our highest priorities, and we work hard to hold everyone in our stores to these standards – including our customers."

Santee Mayor John Minto added that the man's actions did not represent the values of the city of almost 60,000 residents.

He said: "Many thanks to all who stepped forward to curtail this sad reminder of intolerance.

"Santee, its leaders and I will not tolerate such behaviour."

The city has tried over the years to overcome a history of race hate incidents that led to nicknames such as "Klantee" and "Santucky."

Slash mask is no breath of fresh air

A WOMAN was caught on video, shopping with a HOLE cut in her face mask, claiming it made it "easier to breathe".

Footage posted on TikTok showed a shop assistant stunned to see the female (*above*) enter the store with her face mask slashed to expose her nose and mouth.

"Where did you get that mask from?" he asked her, as she came up to the counter.

She replied: "Well, since we have to wear them and it makes it hard to breathe, this makes it a lot easier."

Joking, the bemused assistant responded: "Cutting it? Yeah, I'll do that, too… thanks for the advice."

The video was filmed at S J Food Mart in Lexington, Kentucky.

It came to light after Kentucky Gov. Andy Beshear announced shoppers will be asked to wear masks in public.

Dr 'falls' from window after PPE warning

A RUSSIAN doctor "fell" from a hospital window after warning about the shortages of personal protective equipment.

Dr. Alexander Shulepov, 37, suffered critical head injuries after appearing in a video in which he claimed he was ordered to work despite testing positive for the deadly disease.

Lying in a hospital bed in the southwestern city of Voronezh, Shulepov later appeared in another clip in which he retracted his allegations – though there were suspicions that he was forced to make his statement.

The doctor was gravely injured when he plunged from a second-floor window while in hospital.

Throwing people out of windows is a favoured assassination technique of evil Russian security services.

Lowest new car sales in 74 years

NEW car registrations almost ground to a halt in April after lockdown measures came in, the motor industry says.

Figures show 4,321 cars were registered – the lowest monthly level since 1946.

April's figure marked a 97% plunge in sales from the same month last year.

The closure of car dealerships to try to combat coronavirus has hit registrations.

Footie ace: I take daily sex-ercise!

SPAIN international Inaki Williams has revealed he's been having sex SEVEN TIMES A WEEK during the lockdown.

Football in Spain was suspended indefinitely in March because of the global coronavirus pandemic.

But elite footie players have been keeping themselves in the shape – in case games resume in a couple of weeks – with some putting themselves through gruelling workouts and others taking a more laid-back approach.

However, Atletico Bilbao striker Williams, 25 (*above*), revealed he's been romping with his stunning girlfriend Patricia Moraless EVERY DAY in their quarantine.

He said: "I already said it that I dumped four powders (slang for having sex four times) per week but now I would tell you that it is a seven out of seven. I do full."

The Spaniard has been previously scouted by Arsenal, Liverpool and Manchester City.

DONALD TRUMP & THE BUM SEX GURU

RETWEETS: Trump and Dr Dawn Michael (*right*)

By SIMON DEAN simon@sundaysport.co.uk

AFTER unfollowing Piers Morgan on Twitter, President Trump has a new best pal on the social media site.

And Dr Dawn Michael appears to be a LOT more interesting than the *Good Morning Britain* loudmouth.

Because the California sex therapist is a world-renowned expert on BUM SEX!

White House watchers have noticed the Leader of the Free World almost obsessively retweeting Dr Michael, who is behind the Twitter name *@SexCounseling*.

It is not clear what attracted Mr Trump to Michael's posts, but she appears among a circle of conservative pro-Trump Twitter users who regularly retweet one another.

Intimate

The medic is certainly proud of the President's seal of approval and has added the words "Proudly retweeted by POTUS" – POTUS standing for President of the United States.

On her website, at *thehappyspouse.com*, Michael calls herself "a nationally recognized relationship expert and certified clinical sexologist", adding: "My mission is to help you resolve problems with your intimate life.

"With 20 years of counselling experience, I have helped thousands of people improve their quality of life and marriage."

But her advice on bum fun, published in magazines and online is VERY explicit.

In one article, she writes: "Information on anal sex is one of those questions as a clinical sexologist I get asked quite often about. The facts are this – anal sex can be enjoyable, if done the right way.

"The muscle on the rim of the anus and the inside of the anus needs to be slowly relaxed before penetration.

"Teasing and finger play is a wonderful way to get the anal muscle to relax, rubbing the area gently, and taking time to enjoy the feeling and relax. Clitoral and nipple stimulation at the same time as anal stimulation can also relax the muscle and lubricate the anus.

"Anal play or anal sex may not be for everyone, but if you do want to try it do it right because it can be a wonderful erotic experience."

Victoria Police are conducting spot checks at a homes, businesses and non-essential services as part of the state wide Operation Sentinel.

Weirdo pulls up to w*nk side-by-side at trucker!

A FEMALE trucker has described how she watched a half-naked man wanking himself off behind the wheel of his car as they drove side-by-side along a busy A-road.

She spotted the sex act when the man deliberately pulled up alongside her lorry in his car and remained there for half a minute.

The incident took place on the A14 between J1 for and J2 in Leics around 2.30pm on April 30.

The trucker said: "You're always very acutely aware of someone overtaking you in a lorry. Cars normally speed past, but he went to overtake and then he hung on the side of me.

"He kind of looked right at me with a big smile on his face, but you don't want to give him eye contact as it's embarrassing.

"I'm pretty sure he didn't have any trousers on, or if he did they were round his ankles.

"You could see his thighs, everything – he had a bare bottom half.

"The way he was doing it was very overt and he was very proud of himself.

"Is it the thrill of wanting to be caught?

"He's doing it in broad daylight.

"I just thought, 'what a weirdo'."

"Once you stop having sex, I don't know what the reason is to be alive. To me, it's the energy that drives life and inspires everything else."

But the *Cop Killer* performer admitted he and girlfriend Coco need to make "special arrangements" to get intimate as they often share their bed with youngest daughter Chanel and two dogs.

He said: "It's cute and funny, but frustrating – we have to make special arrangements to have sex."

Basketball ace Michael Jordan claims he taught shamed golfer how to pull the birdies...

I TURNED TIGER INTO A PUSSY MAGNET!

HOT SHOTS: Jordan gave Tiger a hole lot of advice

AFFAIR: Nightclub hostess Rachel Uchitel

I GRIPPED HIS CLUB: Porn star Holly Sampson bedded Woods

By JAYNE FERGUSON

news@sundaysport.co.uk

BASKETBALL legend Michael Jordan used to give SEX TIPS to Tiger Woods.

The former Chicago Bulls star, 57, has revealed how he gave 15-time Major winner Woods lessons on how to be successful with the ladies.

Woods, 44, had his brand badly damaged by the sex scandal of 2009 when his marriage to Swede Elin Nordegren broke up after it emerged he had bedded a string of women.

But the best bit of advice on the ladies Woods got from Jordan – speaking on ESPN's *The Last Dance* series – was back in 1996 when he told the young prodigy: "Just go tell them you're Tiger Woods."

But when the golf legend was starting out, he was warned not to have anything to do with the notorious Jordan.

Tiger did not take that advice and instead forged a close bond with the Bulls player.

It was in a New York nightclub in 1996 that Woods allegedly approached Jordan for his famous advice on how to attract the opposite sex.

Smiling

Tiger, then just 20, felt shy and awkward around women, but Jordan helped build his confidence.

He famously had a one-night stand with porn star Holly Sampson after she and some girlfriends gave him lap dances at a nightclub in California.

When the women were changing afterwards, a female assistant for Woods came into the room and said the golfer wanted to see Sampson alone.

"We talked for a few minutes – then I undressed, pulled the bed covers back and climbed in," she said.

"He did the same. We talked and chatted really closely, just cuddling at first.

"We had sex for about 45 minutes – it was amazing," she added.

"I don't think he stopped smiling the entire time.

Woods also had an affair with nightclub hostess Rachel Uchitel.

But he eventually sought treatment for sex addiction.

Brunette beauty Zoe, 32E, said: "I love bath time and I can't have a bath without masturbating.

"Being relaxed in bubbles just gets me horny and I can climax three or four times.

"Of course, I climax during sex with my fella as well.

JAILHOUSE DOC FINGERED LAGS FOR SWEETIES

M&M's LURE: Cogswell

A DIRTY jailhouse doc fingered female inmates and had sex with them in return for sweets and cigarettes, a lawsuit claims.

By JAYNE FERGUSON

news@sundaysport.co.uk

The suit against medic Steven Cogswell, his employer Correct Care Solutions, and Macomb County Jail in Michigan alleges three women were subjected to sexual abuse, sexual assault, battery, exploitation, discrimination and degrading treatment in 2018.

"Cogswell manipulated and sexually assaulted female Macomb County Jail inmates by using his position of power and by holding tobacco products, candy, prescription medication, double mattresses, and other commodities over their heads," the lawsuit reads.

Nude

The lawsuit was filed three months after Cogswell, 54, was convicted of second-degree criminal sexual conduct and acquitted of four other charges involving county prisoners.

Cogswell, of Waterford Township, Michigan, is serving a one-year sentence at the St Clair County jail.

In the civil lawsuit, Cogswell was also accused of using his mobile phone to take nude photographs of the inmates and alleges jail and Correct Care Solutions employees knew about the doctor's conduct.

The lawsuit seeks an unspecified amount of damages.

Lawyer Jon Marko, representing the women, said: "Doctor Cogswell's heinous sexual misconduct involving vulnerable, incarcerated young women constitutes an egregious abuse of power.

"Who knows how many other women were abused and kept silent?"

The three women were imprisoned at Macomb County Jail in August and September 2018 and received medical treatment by Cogswell, according to the lawsuit.

The women were transported to the appointments by Macomb deputies.

One 33-year-old inmate alleges that, while on the examining table, Cogswell "used his hands to touch and/or stimulate her pelvic and genital areas."

A 29-year-old inmate convicted of a drug crime says Cogswell penetrated her with his fingers during multiple visits.

During one visit, Cogswell "brought her M&M's and said he 'wanted something in return'", according to the lawsuit.

Then "Cogswell raped (her) again by penetrating her vagina with his fingers while she touched his penis."

Afterwards, "Cogswell then took a photo of plaintiff with his cellphone, with her shirt lifted and her pants partially down", the lawsuit says.

A 30-year-old inmate convicted of manslaughter alleges Cogswell assaulted her during a September 2018 examination.

During the exam, Cogswell placed a stethoscope on her nipples and breasts, according to the lawsuit.

"Cogswell then asked (her) to stand up," Marko wrote in the lawsuit.

"He touched her stomach and moved his hands into her pants and touched her vagina, sexually assaulting her."

Naked man foils snake eating pussy

A NAKED man jumped out of bed to save his kitten from being eaten alive as a giant python snared it.

Nick Kearns was sleeping commando when he heard his partner screaming that the huge snake was in the garden attacking his pet kitten Lil.

His instinctive reaction pushed him to jump onto the eight-foot long snake, as it was coiled around his animal's body.

Nick, from Kununurra, in Western Australia's far north said: "I jumped up – naked of course – and ran outside.

"I reckon I didn't have very long – I could see the cat was starting to slow down a bit."

Despite rescuing the kitten by gingerly uncoiling the snake, Nick didn't get away unhurt – the python dug its fangs into his hand.

He recalls: "There was blood everywhere, but no way I was going to stand by and let it eat the kitten."

THE Bill **has made a triumphant return for reruns on a streaming service – 10 years after its finale.**

The ITV drama ran for 26 series from the mid eighties until 2010 when it was axed – following the Metropolitan Police's Sun Hill nick and the dramas of the rozzers who worked there.

Many iconic characters were introduced to us over its 27-year run and fans will be excited to hear the old episodes are being added to the streaming service, UK TV Play.

The show struggled in the ratings after it was revamped and moved to a later 9pm slot in 2009.

It was then brought down from two episodes a week to just one.

Having previously managed up to six million viewers, it slumped to just 3.4m before finally getting the axe.

Characters such as DC Mickey Webb, Samantha Nixon, Sgt June Ackland, PC Tony Stamp and Sgt Bob Cryer became household names.

Today we celebrate the return of *The Bill* by featuring some of the show's biggest names – minus their tunics!...

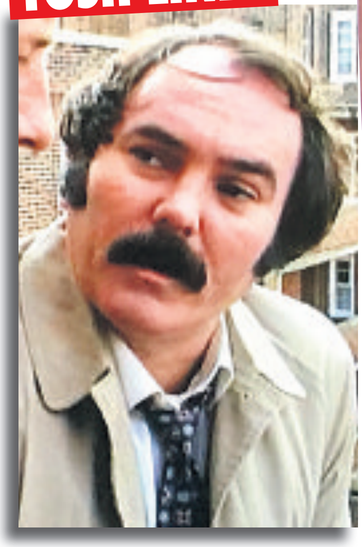
MY FAVOURITE CHARACTER: TOSH LINES



MY favourite character was Tosh Lines.

He was like Sun Hill's answer to Columbo – scruffy, disorganised and wearing a raincoat.

But he was also a cop who had a heart of gold.

It was a tragedy that the man who played Tosh – Kevin Lloyd – the drink got him aged just 49.

Kevin was sacked from *The Bill* after turning up for filming pissed.

Here's a fact: Tosh's real first name was Alfred.

And here's another: Kevin was the older brother of ITN reporter Terry Lloyd, who was killed in the Iraq War in 2003.

MY FAVOURITE CHARACTER: REG HOLLIS

‘EVERYONE knows someone like Reg Hollis – and I think that’s what made him such an amazing character.

He was one of life’s losers and often the butt of people’s jokes and he could be so pompous as the station’s Police Federation rep, the Dibble’s equivalent to a union shop steward.

The actor who played Reg, Jeff Stewart, was a bit tragic too.

In 2008 he reportedly tried to take his own life when told that Reg was being axed – but mercifully, he survived.

He went on to win the ‘Best Actor’ award at the Manhattan Film Festival in 2011.’

RDAY

The ‘slice & dice’ killers

WHEN cops turned up at the home of twisted Jonathan Lawrence they found a deranged murder manifesto containing phrases such as ‘slice and dice’, ‘dissect completely’ and ‘bag up eatable meats’. They also found flesh from the leg of one of his victims in his freezer...

PURE EVIL: Rodgers (*left*) and Lawrence planned their vile crime in horrific detail

MANY people have heroes, looking up to sporting legends, movie stars, music icons or authors.

Jonathan Lawrence had idols, too.

But the men he put on a pedestal were America’s most heinous serial killers, in particular necrophiliac men like Dennis Nilsen, John Wayne Gacy and Ted Bundy.

Deviant

These are individuals who not only committed some of the grisliest murders in history, but who went on to defile the corpses of their victims.

Deviant Lawrence, now 42, pored over their exploits in his collection of books and decided he wanted to do the same.

By JUSTIN DUNN

news@sundaysport.co.uk

He and co-defendant Jeremiah Rodgers, 40, went actively hunting for victims just for the sheer thrill of it.

First they casually shot grandfather Layton Smitherman as he sat in his front room watching a film with his wife and daughter. He somehow survived.

They then turned their attentions to Lawrence’s own cousin, vulnerable Justin Livingston, who was repeatedly stabbed by the deadly duo.

Next came the harrowing slaughter of 18-year-old Jennifer Robinson.

This curly-haired student was taken out to an isolated wood, where she was shot in the head before being sexually abused as she lay dying.

Lawrence and Rodgers posed for triumphant Polaroid photos with Jennifer’s blood-drenched corpse, like trophy hunters standing proudly over their kill.

Then Lawrence meticulously butchered her body to claim her “meat”.

When cops came to his home they found a “joint” of her leg in his freezer along with hand-written notes about how he and Rodgers would “rape her many, many times”, “slice and dice”, “dissect completely” and “bag up eatable meats”.

Both Lawrence and Rodgers now sit on Death Row after they were eventually snared for their crimes.

In 2017 Lawrence – who is in no doubt about the enormity of what he’s done – begged the state of Florida to execute him.

In a letter he told a court: “I have had no intention of putting the families, friends and loved ones of the innocent people that I deliberately helped to murder all those years ago through any more pain.

SICK DUO: Rodgers and Lawrence when arrested

Killings

“They deserve justice and every amount of peace my death sentence and conclusion might give them.”

Meanwhile, Circuit Judge Paul Rasmussen told Rodgers during his sentencing: “The common theme in the defendants’ actions was a plan to kill human beings for reasons known only to them.

“They’d even discussed these random killings two years prior while both were in prison.”

Now Jennifer’s mum, Diane Robinson, waits for the day when the men who plied her child with drink before killing and mutilating her get their just desserts.

She said: “I now know, even if they’re never executed, they’ll never hurt anyone else. No-one will ever have to feel what all of us have felt.”

Lawrence was born and raised in Santa Rosa County, Florida. His nightmarish early years shaped the person he’d later become.

His father, Elbert, has been described as a hard-drinking “rough guy” and “redneck”, who was abusive and a bully to Lawrence’s mum, Iona, and also sexually abused Lawrence’s sister, Laurie.

While Lawrence was a “sickly child”, always with a fever, he was described as “relatively normal, laughing and playing with his siblings, eyes sparkling”.

But then in 1979 everything changed when Lawrence, aged just four, suffered brain damage in a car wreck.

Reports prepared by Florida State Supreme Court reveal: “When he was four years old, Lawrence injured his head in a car accident that also seriously injured his mother.

“Elbert had forced Iona to drive because he was drunk. She fell asleep at the wheel and slammed into a ditch. Jonathan’s head hit the back of the seat in front.

Dense

“Iona was hospitalised for three months and was plagued for years thereafter with severe leg damage. Jonathan measurably declined after the accident.”

Iona reveals: “Jon was in a dream world. Kind of dense, slow. He was slow to respond, slow to react. I felt like he couldn’t understand.”

Lawrence didn’t know how to deal with the world around him. He developed a twitch and was bullied mercilessly.

Iona recalls finding her son one day “sitting in a ditch, crying” after kids had fired rocks at

JUSTICE SERVED: Lawrence in court

MUTILATED: Jennifer Robinson had a chunk of her leg cut off before being buried

him with a catapult. In his teenage years Lawrence got in trouble with the law. He failed to hold down any sort of job and was eventually committed to a mental institution after a suicide attempt.

It was in the Florida State Hospital that Lawrence met Rodgers.

His background is equally grim, almost mirroring that of Lawrence's.

Court papers reveal how Rodgers suffered sexual abuse from his own mother, beginning at the age of three and continuing through till he was 14. He was described as being "severely emotionally disturbed".

Rodgers attempted suicide five times by the time he was 13. Five years later he attempted "self-castration" in a fit of madness.

With their horrific backgrounds, Lawrence and Rodgers were a match made in hell.

They soon began to conspire together to do something truly awful – and they put their plan into action in the early evening hours of March 29, 1998.

Lawrence and Rodgers had been driving around looking for a target when they spotted Leighton Smitherman in his living room in Pace, Florida.

Poor Leighton had never even met the pair. He was simply in the wrong place at the wrong time.

A handgun bullet fired by Rodgers passed through his front window and entered the base of Leighton's neck. Despite suffering extreme blood loss, he survived.

Rodgers and Lawrence evaded capture and just 11 days later they found a new target.

Lawrence's cousin, Justin Livingston – a troubled teen with a love of marijuana – was led out into a field before being set upon by the pair.

Stabbed

Court papers reveal: "Rodgers told Livingston to look up. He then stabbed him in the chest with a knife he had taken out of the toolbox.

"Rodgers then told Livingston to lay on his stomach so he wouldn't have to look at his face. He then knelt over Livingston and stabbed him in the back at least twice more.

"Rodgers and Lawrence sat there for a while, then walked off before returning to Livingston.

"He was still alive so Rodgers wrapped a flannel shirt around his throat and squeezed it. Lawrence then struck Livingston with a knife a few times in the side."

Justin was buried in a shallow grave nearby.

One month later, Lawrence and Rodgers struck again – this time letting their insane minds run wild.

On May 7 they went to the home of Jennifer Robinson to pick her up for a "date".

The three of them drove in Lawrence's truck to a secluded area in the woods, where Jennifer had sex with both men.

Then, when she least expected it, Jennifer was shot in the back of the head by one of them. It took several minutes for her to die from the gaping wound to her skull.

Before she breathed her last, Lawrence raped her before attempting to "scalp" her with a hunting knife.

The evil pair then posed for macabre photos next to tragic Jennifer's blood-soaked body.

And before they buried her, Lawrence took out his blade once more and carefully hacked off a chunk of Jennifer's leg for his freezer.

Court documents state: "She had an incision to her right lower leg in the calf region where a sharp instrument was used to cut down into the muscle and the skin.

"A piece of muscle, possibly human and consistent with the shape and character of the missing calf muscle, was later found in a freezer in the kitchen of Lawrence's home."

Lawrence may have planned his murder meticulously but he didn't count on one thing: the overpowering stench he would have to put up with in his trailer.

Smell

In his confession he admitted: "I can't get rid of the smell. It's just a bad smell. It smells like fat, or something.

"I guess when you touch some fat it stays with you a long time."

Detectives soon traced Jennifer's disappearance to Lawrence and Rodgers. Three days after her death they searched Lawrence's home – and there found all the evidence they needed.

As well as Polaroid images of the killers with Jennifer's body, they found the missing piece of her leg and the murder weapon.

They also uncovered Lawrence's lurid notes written by hand.

One, detailing the things they would need, read: "Tarp, coolers of ice for new meat, film for Polaroid cam, rope, two scalpels."

Another outlined their plans for poor Jennifer.

It read: "Resharpen main blade, clean the saw and tomahawk, slice and dice, dissect completely, bag up eatable meats."

It ended with the words: "Bag remains, bury and burn."

Lawrence told officers: "It's kinda like we were planning some real sick thing. We didn't think we'd ever really do it.

"It's just real messed up. It's like I planned to do something, but I didn't think we'd actually do that stuff to her. We just make up stuff like that. Real bad things."

Lawrence was finally sentenced to death on August 15, 2000, while Rodgers pleaded guilty to all charges and was handed his own death penalty three months later.

FREED PERV FLASHED HIS PRIVATES AT PAROLE OFFICER

Locked up again just FOUR DAYS after early release

A SEX offender released from jail early due to the coronavirus crisis was nicked again when he flashed a parole officer just four days after he was freed.

Rudy Magdaleno, 39, is in police custody for allegedly exposing himself to parole centre staff and failing to charge his GPS monitor.

Magdaleno, a 'high-risk registered sex offender', was initially granted release from jail after a court order.

By GRACE HOOPER
news@sundaysport.co.uk

He had served just 71 days of a 180-day minimum sentence.

He and six other sex offenders were released from Santa Ana jail amid fears of significant Covid-19 outbreaks in detention centres.

Exposed

The release policy was implemented by the Judicial Council of California last month.

Three days after his release, Magdaleno's GPS monitor stopped tracking him after he did not charge it.

One day later, a California parole centre reported that Magdaleno had exposed himself to an officer before fleeing.

A warrant was issued for his arrest and he was taken into police custody.

Magdaleno's list of crimes include assault, battery, molestation, indecent exposure, criminal threats and inflicting injury on an elder adult.

Sheriff Don Barnes said on Twitter the sex offender's release was 'not connected to the measures I've taken to limit the spread of Covid-19 in the Orange County jail'.

He added: "We have responsibly created the capacity needed in the jail to house sex offenders and other dangerous criminals.

"I oppose efforts that excuse criminal behaviour."

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

SEXY Lori Buckby has become obsessed with the 1990s TV show *This Life* since the lockdown began.

The 30-year-old 34C stunna started watching the show on the streaming service Britbox and immediately became addicted.

Leicester lovely Lori said: "It's a brilliant TV show.

"It's so weird to see Andrew Lincoln from *The Walking Dead* as a really young man.

"He's well fit.

"They all play lawyers and it's really powerful stuff.

"It's so weird to see how different life was in the 1990s."

T'N' HORNY

HE'S BACK!

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Lockdown has to end soon or I'll end up doing time

THIS bunch of words comes to you from the splendour of my dining table.

It's not a new arrangement.

For the past couple of years I've been hammering things out on the laptop here and rather enjoyed the solitude.

No dreary commute along packed motorways or on late trains...

My own kettle just yards away...

Typing in my undies...

And sometimes even from the comfort of my own scratcher.

Working from home was not news to me – right up until the moment that every other poor sap was ordered into lockdown.

So, to make it crystal clear, my new arrangements are the same as my old ones, except that I am now sharing my office – aka the living room – with three other grown adults.

Of course, naturally, I'm the only one actually *working*.

The others are merely working at doing my head in.

And a splendid job they're doing, too.

"Working from home" now means having the Dyson rammed into my ankles at least once a day.

It means trying to concentrate on my literary tasks while the sodding washing machine – which sits in a cupboard under the stairs adjacent to where I perch – rattles and rumbles away from 10am.

It means Sky News going off (which isn't the worst thing) and crap like *Keeping Up with the Kardashians* going on (which really, really is).

It means a steady stream of just three people humming in and out of the kitchen opposite and the constant interruption of smelly Pot Noodles and noisy crisps.

It also means we are never more than a hair's breadth away from a major row, with all the joys that come with it – the slanging match, the slammed door, the bitter, simmering, resentful silence.

Then there's all the rigmarole of sharing the home itself on this albeit temporary basis.

The internet is supposed to be saving the day, but it isn't.

One of our lot unable to work on building sites now spends all day and night shouting things to odd people in Russia while playing a fancy version of Space Invaders – which now I think about it, is exactly what he used to do anyway.

POT
noodle
BEEF & TOMATO

Hateful

Then we have the Zoom sessions, with me and the missus half cut downstairs trying to remember Shakespeare sonnets and daughter upstairs shrieking about fruit that begins with "a".

We have also been reminded of something else now that the kids are permanently on site – what greedy, hateful locusts they really are.

After all, why have just the one snack when you can have six? Why *should* parents have to eat, too?

And no, grown children who have previously lived away from home, you leave that heaving stack of self-generated washing up for us to do, as we enjoy it so much, honest.

Lockdown simply has to end soon or I swear I'll be doing time.

Brazil nut claims WHO encouraging kids to w**k

BRAZIL's increasingly unhinged president has accused the World Health Organization of encouraging young children to WANK.

In a Facebook post – quickly deleted but spotted by news outlets – Jair Bolsonaro said the WHO was encouraging same-sex relationships in four-year-olds, sex experience for nine-year-olds and masturbation in children from birth.

"This is the World Health Organization that many say I must follow in the case of coronavirus," he wrote in Portuguese.

The post came a day after Mr Bolsonaro *(above)* shrugged off concerns about Brazil's rising confirmed Covid-19 death toll by telling a reporter: "So what? I'm sorry. What do you want me to do?"

It appears his wanking claims were inspired by a 2010 guide, published by the WHO's European office, which provided a framework for teaching sex education in schools.

The guide's authors described the importance of children developing a "responsible attitude" towards sexual health.

It also outlines how they learn about their bodies and develop a curiosity about sexuality.

BIKINI BABE: Jesy's all bright and beautiful

By JAYNE FERGUSON news@sundaysport.co.uk

LITTLE Mix beauty Jesy Nelson has been flooding Instagram with sexy pics after her split from *Love Island's* Chris Hughes.

The stunna, 28, has been sharing daily offerings that flaunt her hot body, flawless make-up and edgy style – which have been getting the attention of her followers.

The *Shout Out to My Ex's* plethora of fashion forward snaps has led to her fans building her up with kind comments and messages of admiration as she mends her heart after saying goodbye to reality TV personality Chris, 27, following their 18-month romance.

Gushing

Among the first posts Jesy loaded onto her grid was one that displayed her hourglass curves as she modelled a frilly yellow bikini in her kitchen.

The enviable upload led to her fans gushing over her toned and tanned physique.

One wrote: "JESY WE NEED A WARNING BEFORE YOU POST SOMETHING THIS HOT."

Others added: "Body goalss!" and "figure on you".

Days prior, Jesy ensured her fans got hot under the collar as she uploaded a post of herself in a racy red bikini.

BULLETPROOF CHEST!

Shot woman saved by her breast implants

A WOMAN who survived a close-range gunshot wound to the chest was saved because of her silicone breast implants.

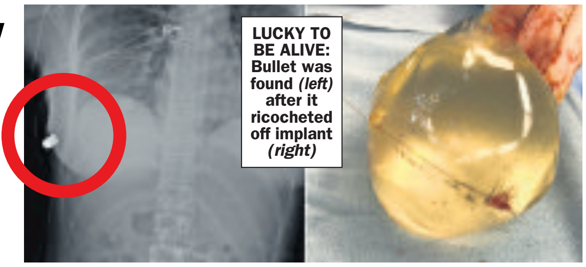
In a case study published in the medical journal SAGE, doctors described how the rubber tit deflected a bullet away from a 30-year-old woman's vital organs.

Though the exact details of the shooting in Toronto, Canada, are unclear, surgeon Giancarlo McEvenue said that the patient walked into a local emergency department seeking treatment after being shot in the chest.

"She was talking – the trauma team was in disbelief at how well she was," said McEvenue, who was one of the treating surgeons.

"The bullet wound entry was on the left breast, but the rib fracture was on the right side. The bullet entered the skin on the left side first and then ricocheted across her sternum into the right breast and broke her rib on the right side," he explained.

"The implant caused the change in the trajectory of the bullet," he said.



LUCKY TO BE ALIVE: Bullet was found *(left)* after it ricocheted off implant *(right)*

Despite the gunshot wound, broken ribs and broken implants, thr woman was otherwise remarkably unscathed.

The patient was later evaluated and cleared by the trauma service, doctors said, but the firearm was never recovered and the shooter remains unknown, according to the report.

Doctors treated the wound by removing the implants, irrigating the wound and prescribing a short course of antibiotics, they noted in the report.

THE WORLD FAMOUS AGONY Page

Dear Dani,

MY wife, a tasty brunette in her late 30s with massive boobs, likes to shag builders. She gets them to quote for jobs and then offers sex.

So far, we've had a conservatory and an extension done for very reasonable prices.

She was upfront about her desires, so I don't feel she's cheated on me. Indeed, I often ask her to film the romps on her mobile phone so I can watch them too.

A couple of weeks ago I watched as a young fella in his 20s boned her. She sucked him off and then he nailed her hard and fast from behind.

The problem is that she keeps going on about him. Now I fear she's about to leave me for this stud.

What should I do?

GJ, Merseyside

Dani says…

BECOME a builder yourself.

Dear Dani,

MY girlfriend and I planning to get married and one night last week we were making an invitation list when I asked, half jokingly, if she had any skeletons in her closet.

I couldn't believe it when she told me that she used to make porn films for a living!

She then showed me a clip online that shows her sucking cocks, being taken from behind and getting it up the arse.

She explained to me that she was only 19 when she made the films and she hasn't made any since she's been with me.

But I can't get the images out of my mind and I don't think I can go through with the wedding.

Please help!

FS, Cornwall

Dani says…

SURELY the sex is good though… right?

Lesbo nurses gave me some filthy treatment

Dear Dani,

JUST before the lockdown came into force, two lovely young nurses moved into the flat above mine.

I saw them arrive and I couldn't believe how pretty they were, so I went to introduce myself.

One is blonde and the other a redhead and they both have stunning figures.

We got chatting and I ended up going to the off-licence for some wine for the three of us.

After we'd had a couple of bottles, one of the girls told me that they were living together as lesbos, but they occasionally liked cock too.

Then she asked if I'd like to see what they get up to. They started kissing and fondling each other's tits and fannies.

It was like watching a red-hot porn movie, but with the added attraction of being able to get involved.

While the blonde was licking out her mate, I started shagging her from behind.

I then had the redhead before they both sucked me off.

The problem is I want to bone them regularly, but they told me I had got lucky and it would be at least six months before they'd let me join in again.

What can I do?

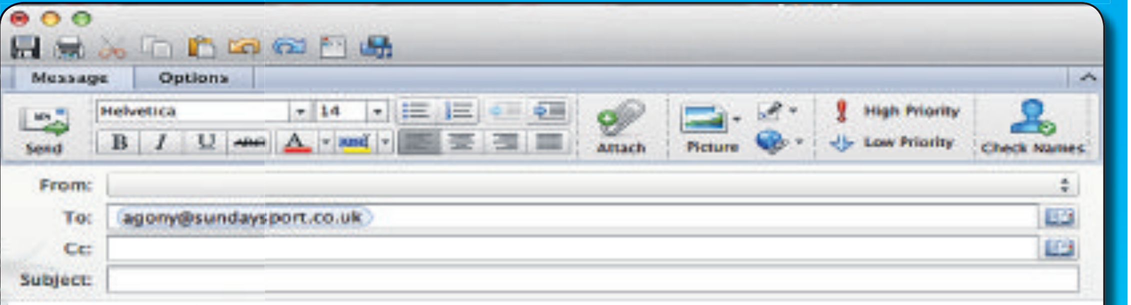
TB, west Midlands

Dani says…

COUNT the days and be patient!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters. And here's her advice for you…



To: agony@sundaysport.co.uk

Mr Fix-it is nailing lucky me four times a week!

Dear Dani,

I'M a 36-year-old mum-of-two and I was devastated when my husband walked out on me for a younger woman two years ago.

I didn't sleep for weeks and turned into a virtual recluse.

Then, just before Christmas, I had a carpenter in to repair a broken cupboard in my kitchen – and my life virtually changed the moment I saw him.

He was a real hunk and very friendly too.

And after he'd done the job I found him some more work – just to keep him in the house a little longer.

Squirting

When he'd finished the tasks, I made him a coffee and we sat chatting for a while.

Finally, I plucked up the courage and blurted out: "Would you like to have sex before you leave?"

To my surprise – and obvious delight – he said yes.

A couple of minutes later we were naked on my bed and I was in heaven as he went down on me, licking and sucking on my fanny for ages – until I was nearly squirting.

I then guided his length into me and I was soon near orgasm as he thrust in and out of me.

Then I came in waves as he shot his love juice deep inside of me.

After a few moments' rest I couldn't wait to get his cock in my mouth and I licked and sucked him to hardness again while gently massaging his swollen balls.

Since then, my handsome joiner has been bonking me four times a week – and I'm loving every moment of it.

But there's even more good news. I heard that my husband's young floosie has had enough of him and thrown him out.

Do you think my life has finally changed for the better?

BW, Essex

Dani says…

GOOD for you. I couldn't be more pleased.

Dear Dani,

A COUPLE of weeks ago my kinky girlfriend organised a threeway for my birthday with her and her fit mate in my flat.

I shagged them both in a variety of positions and got a great gobble off her mate.

Now her friend is pestering me for a repeat performance – but just the two of us this time.

I'm tempted because, to be honest, she's better looking than my girlfriend and far better in the sack.

Would this be cheating?

JL, south Yorkshire

Dani says…

YES – suggest another threesome.

I enjoyed star role in hubby's sex vid

Dear Dani,

MY husband filmed me having sex with him and two fellas from his office.

It's not something I had ever seen coming, until he told me about his fantasy a few months ago.

I was a bit shocked at first, but I gradually came round to the idea and agreed to make it a reality for his 40th birthday.

I'm 38, blonde and busty with a good body, and my hubby showed my picture to a couple of willing lads in their early twenties.

He told me they were well up for it, so he invited them round to our house for a meal and a few drinks.

We had a good time and not only did we all get on well but I found these athletic younger hunks were making me feel really horny.

Sucked

I couldn't wait until we all got stripped off and my husband started filming as I sucked these lads off.

They then took it in turns to f**k me. They were really turned on and were whispering in my ear about what they were going to do to me.

My hubby then had me and, unusually for him, he also made me come.

The thing is, these lads now want to see me behind my hubby's back.

I'm tempted. Any advice.

KM, Newcastle

Dani says…

I SAY go for it. Your husband had his fun, now you can have some too.

Dear Dani,

MY mate's mum is a busty brunette looker in her mid 40s, and I'm 22.

I've fancied her for ages and pulled her a couple of months ago.

I'm a plumber and was putting in a new bathroom for her at her fancy four-bed house round the corner from mine.

She was really flirty with me, right from the off, and it was pretty damn easy to get her knickers off.

The first time I fked her she was wearing a tiny G-string.**

I did her from behind while feeling her massive tits.

She then sucked me off and I licked her out in the 69 position.

We now meet up for regular sex – usually just a quickie is enough to sort her out.

The problem is that she wants us to have a "proper relationship" and says she will leave her hubby for me.

She reckons we would make a great couple and she really wants to do other things – not just sexual – with me.

I don't want this to happen, as her fella and my mate will probably want to give me a sound beating.

Any advice?

LY, Somerset

Dani says…

TAKE your plumbing skills to a new area.

#MY SEX FANTASY

‘All I think about when I come is being part of a lesbian orgy!’

...WITH ANASTASIA HARRIS, 28 32D-23-34 FROM PORTSMOUTH

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

I HAVE this wild fantasy about being devoured by a pack of nymphomaniac lesbians!

They’d all be proper fit and really feminine – a mixture of all types of girls: blonde to brunette, skinny to curvy, big boobs, small boobs and butter-wouldn’t-melt kinds of filthy minxes.

A buffet of hot women to feast on!

This orgy would take place at a grand country manor on a huge circular bed covered in velvet.

It’s ultra-glam, just like something out of a movie. I know that some high class sex parties hire posh venues.

I’d get passed round all the rampant women as they all take turns to sensually kiss me and explore my body with their hands and tongues.

I’m at the centre of all the attention...it’s my fantasy so why not!

I’d lose track of how many were touching me.

Everyone is super horny and I’m mesmerised by all the tits and sweet pussy around me.

We all moan in pleasure and the intensity increases until we are all in a bit of a frenzy.

Most of us all climax at the same time and I have the biggest boobs in my face as I orgasm.

I’ve no idea why this turns me on so as I’m completely straight – but this is all I think about right now when I come!

#HOT'N'HORNY

HORNY Patty Gower has decided to grow her own DILDOS after forgetting her sex toys when she moved into a friend's house during the lockdown.

The 32-year-old stunna, from Brighton, was worried she would be lonely on her own, so she teamed up with a pal who also lives alone.

But the 34C babe forgot to pack her precious dildos and vibrators, leaving her annoyingly sex-starved.

She said: "It was a good idea to isolate with a friend. It means we have each other's company and we can also help each other through any tough times.

"But I forgot my sex toys, so I have started growing courgettes to use instead.

"It'll be a while before they come through, but I reckon it'll be great fun!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

DON'T MISS OUT... WEEKEND Sport IS ON SALE FRIDAY AND SATURDAY

SHOW ME THE HONEY!

WELCOME to interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

SAM HUGGINS

POSTMAN Iain Vaughan's favourite topless stunna is Sam Huggins and he loves ogling her boobs in the morning.

Iain, 31, who's from Rochdale, Lancs, often has to get up at the crack of dawn but nothing gives him a boost more than 26-year-old Sam's pert pair.

He says one look at the 32D Brighton lovely keeps him going all day.

He said: "Please can I see a picture of Sam. Forget coffee, all I need is one look at her boobs and I'm awake all day!"

AMBER JADE

RETIRED accountant Eric Scholes has done the maths and still can't get his head around Amber Jade's humongous boobs.

The 58-year-old from Ayr, Scotland, is fascinated by amazing Amber's 34H sweater-stretchers and reckons he needs to check her measurements.

Eric is even prepared to visit Amber in her hometown of Dudley, West Midlands, to offer his personal services.

He said: "I've been a maths whizz all my life and I'm amazed by Amber's gigantic proportions.

"They're simply mind-blowing and I need to get my hands on them to verify the 34H size!

That said, a picture of her topless will do for now!"

CLARA GLANDED

MECHANIC Callum Pines thinks Clara Glanded is the Rolls Royce of glamour girls.

Callum, 28, only has eyes for the 34-year-old blonde bombshell and fancies a fiddle of her engine.

This shot of Romanian-born Emma, from Fulham, in her stripey top and with her 32D assets is sure to make Callum's day after he begged us to print a sexy snap of her.

The Carlisle fella said: "There's no other girl better than Clara. I'd love to check her lubricant and get my spanner stuck into her engine!"

RACING FIRST TO GALLOP BACK

By ANDY MILLOM

FRENCH racing gallops back into action on Monday — and we may not be far behind.

Paris police have given the go-ahead for a meeting at Longchamp for the first time since March 17.

And British racing authorities have pencilled in our own comeback seven days later.

Head of French racing Edouard De Rothschild can't wait to get started. He said: "We received from the Prefecture of Police in Paris authorisation to resume racing on May 11. This is great news and a real victory!"

Although British horses aren't allowed to race on the other side of the Channel, the start of action in France gives us hope with plans for a comeback at Lingfield or Newcastle on May 18.

BHA chief Nick Rust is hoping for positive news when Boris Johnson outlines his plan to end lockdown.

He says racing is ready to get the show back on the road.

Rust said: "We can be one of the first to go back.

Training

"We don't want to make the case ahead of public opinion. We're saying we're ready when you're ready, when the public health advice is ready.

"We don't have Premier League footballers training for six weeks in our sport.

"Our equine and human athletes are ready to go within a week to help bring live sport back."

Around 12,000 horses have been kept in training despite the shutdown.

They all need daily exercise and it would take just a couple of days to get them ready to race. The first cards are likely to be held on all-weather tracks as they are the easiest to get ready for action quickly.

Races are likely to be limited to 12 runners and take place behind closed doors.

A revised fixture list will be published this week.

New dates for the big races have already been released.

The 1,000 and 2,000 Guineas will be held on the weekend of June 6-7 when the Derby was originally due to be run.

Royal Ascot will start on June 16 before the Epsom Classics take place in early July.

PREMIER LEAGUE'S PROJECT

WE'RE ON OUR WAY TO WEMBLEY

National stadium back on agenda as clubs get used to neutral grounds plan

By JOHN ANTHONY

WEMBLEY is back at the heart of plans for the Premier League's big kick-off.

Top-flight football is in the middle of "Project Restart" as it looks to get back in action by the middle of next month.

Clubs have been told that all games will have to be played at neutral venues.

At first, many teams objected saying it wouldn't be fair to lose home advantage for the remaining 92 matches of the Premier League campaign.

But it soon became clear that the only way football could come back would be at neutral grounds.

And they had to be specially selected so they are not too close to residential areas.

That would cause disruption for local residents and could lead to fans congregating outside to cheer their home team on.

It means the likes of Anfield and Goodison are out because they are still surrounded by houses and pubs.

St James's Park in Newcastle comes up short on the same measure, as does the new Tottenham stadium.

So the Premier League is trying to find around eight grounds that could be tightly controlled for matches to take place.

The two Manchester stadiums are likely venues as they are isolated from local homes and businesses.

Villa Park and Leicester's King Power Stadium have also been mentioned for the same reasons.

They need two in London with West Ham's stadium an ideal choice in the east of the capital.

Wembley was originally ruled out but it's back at the heart of plans again.

Public

That's because there are no houses nearby and the hotels it is surrounded by are currently empty.

It should be easy for the authorities to stop the public turning up.

Another stadium that was originally mentioned was Brighton's Amex.

But Albion will not be allowed to play there under the proposals.

That has angered chief executive Paul Barber. He thinks teams should be allowed to play on their own grounds even without spectators present.

He said: "We fully appreciate why playing behind closed doors is very likely to be a necessary compromise to play our remaining games while continuing to fully support the government's efforts to contain the spread of coronavirus.

"But, at this critical point in the season playing matches in neutral venues has, in our view, potential to have a material effect on the integrity of the competition.

The disadvantages of us not playing the league's top teams in our home stadium and in familiar surroundings, even with 27,000 Albion fans very unlikely to be pre-

sent at the Amex, are very obvious."

The Premier League will hold a crunch meeting on Monday where 14 of the 20 clubs have to agree to the plans.

The final list of stadiums can then be revealed with games hopefully kicking off in the middle of next month.

Relegation

It appears that all manner of proposals are still on the table.

It's possible that there will be no relegation this season with three still coming up from the Championship.

That would mean a 23-team Premier League next term and possibly six clubs going down then instead.

PFA chief executive Gordon Taylor has even raised the possibility of games being shorter than 90 minutes.

He said: "There is a protocol being put together that is going to be presented, involving all medical experts and Government medical experts

"We don't know the future. What we do know is what propositions have been put, what ideas have been put, the possibility of having more substitutes, games possibly not being the full 45 minutes each way.

"There's talks of neutral stadiums. There's been lots of things being put forward.

"Try and wait and see what the proposals are, and then have the courtesy to let the managers and coaches and players also assimilate all those and come to a considered view."

EVERY game live on the telly

EVERY single Premier League match will be live on telly if the season resumes.

And many of them will be free to air via Youtube.

There are 92 matches left to play in the current Premier League season and 47 were already pencilled in for live coverage on Sky Sports, BT and newcomers Amazon Prime.

The remaining 45 will be shared out among the three broadcasters — with some of them being screened for free on their Youtube channels.

That's how BT showed Liverpool's Champions League final win over Spurs last season and more than 11 million streamed the game live.

And there would be a bonus for the BBC with Match Of The Day on more often to show highlights of the rescheduled matches.

It's not yet known if and when the season will kick off but all matches will be behind closed doors if it does.

Neutral stadiums are likely to be used to get the games played.

There are plans to stagger the kick-off times so no matches clash for live TV coverage.

Games will also be available from the Championship and lower leagues where all teams have their own online channel which could screen matches live.

It could add up to several months of wall-to-wall football with several matches being played each day.

WARNING: Rick Parry

Promotion must be protected says Parry

CHAMPIONSHIP boss Rick Parry is adamant that teams must be promoted to the Premier League this season.

He believes "lawyers are going to get wealthy" if nobody goes up.

Parry thinks playing the Premier League season without relegation would breach agreements between the top-flight and the Football League.

He said: "We expect three Championship clubs to be promoted – the Premier League are aware of our position on that. The Premier League expects three clubs to be relegated."

And he fears it could take a long time to work out should the rules change.

Parry added: "The lawyers are going to get wealthy if that happens. There would be a degree of outrage from a number of clubs in our Championship, and it would be a breach of the tripartite agreement.

"The safe answer is that it would get very messy. Our expectation is there would be three clubs promoted from the Championship."

Parry says League clubs are trying to find a way of playing out the season behind closed doors.

But, unlike the Premier League, they don't have large amounts of TV money at stake.

Parry added: "At our level if we were to play behind closed doors then it's finely balanced economically, almost neutral.

"For many clubs it would cost them to play – the cost of staging games."

Poch would cost £12m

NEWCASTLE may have to pay Tottenham a hefty £12.5m to make Mauricio Pochettino their new manager.

The Argie is No1 target for the Saudi consortium who are poised to take over the Toon in a £300m deal.

If they want Poch in the hotseat immediately, they would have to pay Spurs compensation.

But the clause expires at the end of May so the Toon could wait and save a fortune. That would leave current gaffer Steve Bruce in charge — but only for a few more weeks.

IT'S YES MINISTER

Hancock gives green light for footy return

By JOHN ANTHONY

HEALTH minister Matt Hancock says he's "open" to football returning next month.

The Premier League are in the middle of their "Project Restart" plan that could see the sport back in weeks.

Now Hancock has given real hope that we could be watching football again by the middle of June — behind closed doors of course.

And there's good news for racing fans too as the minister gave the thumbs-up for the gee-gees to get under starter's orders.

Hancock said when asked about football coming back: "I'm absolutely open to that, and horse racing too, which I know that both the Premier League and racing are working on how this might be doable in a safe way, but that safety has to be paramount.

"We've got to make decisions about what the relative priorities are of all the different things that could be reopened."

Project Restart is picking up pace with clubs seemingly coming around to the idea of playing at around ten neutral venues across the country.

Games could be played behind closed doors from the middle of June.

Most matches would be screened on Sky Sports and BT but several will be available free of charge, probably on Youtube.
